Make an appointment to avoid disappointment, if you come to our violetry. Liberal discount on plants purchased here.

All mail orders will be filled in the order received and as weather permits. No winter shipping unless customer is willing to take the risk. April, May, June — September and October are the best months for shipping.

NO ORDER FILLED FOR LESS THAN \$3.00 PLUS \$1.00 for Postage, Insurance, Special Handling, and Packing on all plants and rooted-cuttings. These are sent in pots unless you specify otherwise. We believe plants take shock and shipping better if the roots are not disturbed. Add 50c on all leaf orders only. If you wish Special Delivery, add 25c to the above shipping charges. AIR MAIL — add 50c extra on all leaf orders and \$1.00 extra on all plants or rooted-cuttings. If your order is larger and the charges are more, we will bill you.

INSURANCE is paid on your order for your protection as well as ours. In case of any unreasonable damage to your plants during mild weather Please be sure to take the entire order and its wrappings to your Postmaster and file a claim with him at once. Then notify us also as we must go to our Postmaster and sign your claim. We have shipped many orders to the East Coast and also to the West Coast with excellent results and have many letters of complete satisfaction, yet occasionally mistreatment or negligence by some postal employee cause unreasonable damage and a claim for damages must be filed by YOU for the price of any replacement.

PLEASE LIST SUBSTITUTES. Some varieties are limited and some are in greater demand than others. Therefore ORDER EARLY and LIST SUBSTITUTES. If your order states a preference of plants or rooted-cuttings, we will try to ship what you asked for, but the final decision will have to be made by what we have to ship.
